Worried about Math?

Don’t be! Help is available at

MATH BOOT CAMP

Session 1: Jan. 4th – 9th, 2016 Monday-Saturday 10AM-3PM
Session 2: Jan. 25th – Feb. 11th, 2016 Monday-Thursday 7:15pm-10pm

For students in ALL MAJORS and ALL COLLEGES
who are experiencing challenges with

- All levels of Algebra
- Trigonometry
- Methods of Calculus
- Calculus with Analytic Geometry 1

This computer-based, self-paced 30-hour workshop

- Is led by FAU Mathematics instructors
- Allows you to work at your own pace
- Will help boost ALEKS scores
- Will prepare you for success
- Will help you overcome math avoidance/anxiety

$275 (less than half the cost of having to repeat a math class!)

Inquire about the limited number of scholarships available for students with demonstrated need. Snacks Included ■ Class size is limited to 30 students ■ For Info: MathBootCamp@fau.edu
